Back to SCHOOL

Welcome Back!

This year we came back to school on September 6th, 2016. We welcomed some new teachers and some new students too!

Ms. Burns is our new Art teacher, Mrs. Pugliese is our new 6th grade teacher and Ms. Giovinco is our new 7th grade teacher. We also welcomed Ms. St. John who is the new aide in Kindergarten.

We are all hoping for a great new school year!

STUDENT COUNCIL

The votes are in and our school President is James Murray! The Vice President is Ashley Grech, Secretary is Devon Oddone, Technical Secretary is Kate Cioffi, and Treasure is Molly Landers. Let's see how they will help the school.

James said he will try to get gym twice a week and extend recess to keep us active and moving. He also said he would try to get TACO Day. Ashley said she would be a great vice president because she has been in this school for awhile and has worked with the Student Council before. Devan said she will send important messages to people as quickly as possible. Molly said treasurer would be a great job for her because she handles money well. Kate said she is good with technology so she can get emails and documents to people.

If you have any ideas tell the president. He would love to hear people's ideas for the school. James said he will talk to you and think about them.

All the members of the Student Council are very trustworthy. They will make great decisions and lead us through the school year.

OLL Boy's Soccer

This year the boy's team headed by Coach Flanagan, has good agile players. Their leading scorers are Patrick C. with 7 goals and Thomas G. with 5 goals.

Their defense holds well against strong attackers. The team's forwards are fast and good. They include Liam H., Patrick C., Eoghan W., and Thomas G. The starting goalie is Sean C.

Their game against St. Aidan's will be a challenge because they are a pretty tough team and they won the championship last year.

OLL Girls Soccer

The OLL girls soccer team, coached by Mr. Morsellino, are 2 and 2.

On September 24th the team played at home. They were down by 2-0 in the first half. In the second half St. Aiden's scored another goal making it 3-0. Then, Emma F. scored an amazing hat trick, 3 goals! The teams were tied 3-3 until Tess P. scored a goal and OLL won 4-3. The girls did a great job!

TECHNOLOGY DAY

On October 3rd, the 7th grade class went on a field trip to Adventureland. It was for their technology day. After arrival, they went on the thrill ride Turbulence. Then they went to an early lunch. Some of them went on the bumper cars. The group with Mrs. Letteri went on the Frezbee, followed by Crocodile Run. After the rides the class rode the Musical Express, the Ferris Wheel, Surfs Up!, and the final ride, Adventure Falls. Adventure Falls is a water ride with many drops, which left the students soaked! Most of the students wrote about their rides in a Technology Day packet. This day is meant to be both fun and educational, so this filled the educational aspect. The students discussed the rides in class the next day. For grade 7, Technology Day was a blast!

8th Grade Car Wash

On October 15th the 8th grade had a car wash to fund both their 8th grade dance and dinner.

They raised \$1,600 and washed an estimated 75 cars at the least. There were raffles and one prize was a mum plant. A bake sale also raised money for their cause. According to Ms. Scarfogliero, the 8th grade teacher, 100 percent of the class was at the car wash. Their parents were there as well.

The car wash started at 11:00 AM and ended around 3:30 PM. All the students worked very hard and made this fund raider a success.

The OLL Parish Bazaar

The Our Lady of Lourdes Bazaar took place October 21st through 23rd. It was the talk of the school the moment the rides began to arrive. Rides included the swinger, teacups, the balloon tower, and the slides. The main rides were the round-up and Pharaoh's Fury! The round-up, a ride new to the bazaar, is a ride where you spin as if you are a lasso. Pharaoh is the staple of the bazaar all look forward to. You sit on the ride going up and down at different heights. The bazaar included a midway set up by OLL volunteers. The ride company brought games such as water gun, aiming, skeeball, games where you pound a button with a mallet, and basketball shooting games. This year, food carts with deep fried foods, chicken and fries were present. This years bazaar was worth the wait!
