We asked five O.L.L. students what their accomplishments will be to end the school year successfully. Some of these children said sports and others will try to improve their grades. Maya C. in fifth grade said that she would like to get 4's on her report card in the subjects of science and spelling. She hopes to get stronger in a short period of time. Another student, Ryan P., in Mrs. Goodwin's class also wanted to get better grades, especially in math. He thinks this will improve his score for next year. The other area that students wanted to improve was sports. We asked Brianna B., Kayleigh M., and Francesca R. and they all wanted to get better at soccer and dance for their games and their recitals. They will help their teammates and friends. They think that this will take a lot of work, but not a lot of time to achieve.

# Father Daughter Dance

The father daughter dance is a special “Me and My Guy Dance” for girls from grades Pre-K through eighth to have a dance with any special guy in their life. At the dance they offer raffles, snacks, drinks, a DJ and lots more. It is a good time to hang out with your friends and have a special night out with your special guy. It is a nice event because everyone dresses up in a fancy way and dances all night. This dance was on April 30th this year. We would like to thank the parents who helped put this together and make this night spectacular every year. We interviewed some of the girls that went to this dance. We asked Paige Z. who said she loves the raffles, Melissa B. who liked pictures and loved hanging with her father, Veronica B. appreciated dancing all night, Elizabeth H. liked taking pictures and lastly, her last guy dance, Kasey G. enjoyed getting beautifully dressed as well as the DJ blasting music. It was a fun night for all that is very special.

There are three events that Our Lady of Lourdes celebrates every year. These events are:

- Pastor Appreciation Day, to say “Thank You” to our Pastor Father Frank for everything he has done for our parish.
- Father Frank’s birthday, which was the same day as Pastor Appreciation Day, April 17th. The faculty celebrated with two cakes and gifts and the students made cards and posters.
- Administrative Professional’s Day for Mrs. Roldan. Mrs. Roldan needs to be congratulated because she has put so much dedication into working for us every day that she should be recognized for her great work.

First Holy Communion is a special time for the second graders to grow stronger and closer to God. Lucia M. interviewed her brother who received First Holy Communion this year. She asked him what was his favorite part of receiving First Holy Communion? Was he excited? And she asked him if he liked getting dressed up. In response Carmine told Lucia that he wanted to receive the host so that he knew Jesus was in his heart. He also said he was very excited especially because he had the opportunity to read a petition to everyone in the church. He mentioned that he loved getting dressed up and wanted to take pictures so that he would cherish this day forever. Holy Communion was held at Our Lady of Lourdes Church on April 23rd.
