

OUR LADY OF LOURDES

FALL 2018 NEWSLETTER

This year we have a new newspaper staff:
James D., Nicholas S., and Owen M.

AND

New teachers:

Ms. Risolo - 1st grade, Ms. Carboni - 3rd grade, Ms. M.
Byrne - Art and Mrs. Mulroy - Pre-K 2 aide.

ALSO

A new language program:
Rosetta Stone

- On September 11th, the whole school gathered outside for morning prayers led by Father Duffy. We prayed for all the lost, the survivors, and their families. We will never forget!

Under the Stars

On September 13, 2018 we had a Constellations Assembly in the school hall. There was an inflatable planetarium set up there. The students were split into groups and at different times we were enclosed in the inflatable planetarium where we watched a video that explored the stars, the moon and Mars, which was projected on the ceiling of the planetarium. It was a lot of fun and very interesting.

SPORTS

As a new school year begins, so does a new sports season. Soccer is under way and we are looking forward to a great year. The girls' basketball season is a few weeks in and hopefully going great. The boys' season will be under way very soon.

Play hard and GO LOURDES!!!!!!

TECHNOLOGY DAY

After two postponements because of bad weather, the seventh grade finally went to Adventure Land for Technology Day. The students were all given packets to fill out with STEAM related questions about each ride. When they came back to school they had to write an essay explaining what they did and how they enjoyed what they learned.

OLL BAZZAAR

As you all know, last month from October 19th through the 21st we had the OLL Bazaar. It was full of games and rides. The well known Pharaoh is one of the most popular and fun rides that goes up and down and is quite a thrill! Other popular rides included the Round-Up and the Paratrooper. There was a lot of good food, music and great fun for all.

FUND RAISERS FOR CANCER

October 19th was a dress down dollar day for cancer cure. We dressed in pink or teal to show our support for all cancers.

We sold tee shirts to raise money for breast cancer and donated to Light The Night for leukemia & lymphoma research as well as to breast cancer research. Some families did the Walk for Breast Cancer at Jones Beach on October 21st.

OCTOBER CLASS TRIPS

On October 25th the Kindergarten students took a trip to Green Meadow Farms. At the farm they picked pumpkins and saw some farm animals. One animal was a giant pig that weighed 320 pounds!

The Pre-K students also had a class trip to Dee's Nursery where they got pumpkins too!

OLL HALLOWEEN PARTY Time

There was a Halloween party for Pre-K through 4th grade on October 25th in the school hall. The students wore costumes and enjoyed food, games and prizes. There was even a pumpkin carving contest!

On Halloween night there was a social for the 6th -8th grades. They enjoyed music and food and fun times!
